XI. PUBLIC COMMENT:

On the motion made by Mrs. Cohan and seconded by Mr. Hubbs to open public session.
Motion was passed unanimously by members present.

Laila Gansert, West Deptford on behalf of GCEA-wanted the BOE know the latest development regarding a grievance, she explained that she was served papers to go to court over the attendance rates. She feels that we shouldn't be doing this because it is not our only option and that we are escaping the grievance procedure by taking them to court.

Jennifer Reynolds, Somerset Street expressed concern for parents of special education students. She feels there is lack of accountability in the CST department. She talked about a parent advisory committee, why she thinks there is lack of accountability, and discussed the issues her student has had. She asked the BOE to look into this.

Michelle Wright spoke about the committee she implemented regarding the community and transparency, and that is in progress. There was discussion about an upcoming committee meeting and the fact that some parents are getting invites and some aren't.

Frank Cavallo spoke on behalf of BOE on grievance comment brought up by GCEA, filing to restrain arbitration, discussed the term grievance is for violations of a contract. What goes into observations is not part of the contract so this is not a violation. Mr. Cavallo had two choices and said the choice he took is more efficient and takes less time. Yes it does name GCEA but that is required. Mr. Cavallo explained why she was served at school.

Mrs. Cohan asked when the board was notified, Frank said those in the grievance hearing knew about it and that is when it was decided. The meeting was in September and members that were not conflicted were there.
